## General terms and conditions

### 1 Limits of Agreement

The terms and conditions as set forth herein as well as any additional terms and conditions that may appear on the face hereof shall constitute the entire agreement between PIT Medical Systems GmbH ("Seller") and Buyer. Seller will not be bound by any terms of Buyer's order that are inconsistent with the terms herein.

Acceptance of Buyer of these terms may be made either (a) by written acceptance (undersigning of the Distribution Agreement), or (b) by receipt by Buyer of delivery of any products described on the face of this Form ("Products") and failure by Buyer to return the Products within five (5) days following such delivery.

The Agreement shall not be modified except in writing, signed by the parties hereto.

No waiver by Seller of any default of provision hereof shall be deemed a waiver of any subsequent default or provision.

### 2 Products provided and price

(a) Unless otherwise provided on the front of this form, products furnished hereunder shall be newly manufactured products but may contain components that have been previously used in other product units.

Such previously used components have been disassembled, reprocessed and reassembled, as appropriate, and meet or exceed the Seller's specifications for newly manufactured components.

(b) The price of all Products unless otherwise specifically stated on the face hereof is ex works, at the place of manufacture or warehouse location, which is the address set forth on the face hereof, exclusive of insurance cost. The cost of packaging for normal domestic shipment is included in the invoiced price.

Where special domestic or export packaging is specified, involving greater expense, a charge will be made to cover such extra expense.

(c) Prices and orders do not include Federal, State or local excise, sales, use or local excise, sales, use or other taxes now or hereinafter enacted, which are applicable to the Products sold hereunder or this transaction (excluding only taxes based on Seller's income), which tax or taxes will be added by Seller to and paid by Buyer when Seller has the legal obligation to collect the same and will be invoiced to and paid by Buyer, unless Buyer provides Seller with a proper tax exemption certificate. In the event Seller is required to pay any such tax, fee or charge at the time of sale or thereafter, the Buyer shall reimburse Seller therefore.

(d) Prices quoted are for the Products and services described in the Quotations, Invoices and/or Distribution Agreement only and do not include technical data, proprietary rights of any kind, patent rights, qualification, environmental or other than Seller's standard tests unless expressly agreed to in writing by Seller. With the purchase order for products the price is accepted by Buyer. Any counterclaims, additional discounts or reductions as far as not approved by Seller, are not allowed and will not be granted by Seller.

(e) Unless otherwise stated by seller in writing, all quotations are firm for, and expire, thirty (30) days after date thereof and constitute offers.

(f) Unless otherwise stated by seller in writing, all prices are firm for, and expire, 180 days after date of receipt of signed offer from buyer and deposit from buyer; buyer must be willing to accept delivery within 180 days or will forfeit deposit to seller.

(g) Clinical training by a certified PIT Medical Systems GmbH clinical trainer is provided for each first system purchased by area.

Training is scheduled after completion of the sale of a new system.

Clinical training will take approximately a full day depending on the system configuration and the customer's experience.

Additional training will be scheduled by PIT Medical Systems GmbH at the customers request for a standard fee.

A late fee of € 100,- will accrue for each month past the due date until the entire balance is paid. Payment shall not be withheld for delay in installation if at Buyer's request nor for delay in delivery or required documentation unless a separate price is stated therefore, and only to the extent of the prices stated.
- (b) All orders are subject to, and the obligation of Seller to make deliveries is subject to, the right of the Seller as provided in paragraph 11, to require of the Buyer payment of all or any part of the purchase price in advance of delivery or to make shipment ex works. Partial shipments made under any order shall be treated as a separate transaction and payment thereof shall be made accordingly. However, in the event of any default by Buyer, Seller may decline to make further shipments without in any way affecting its rights under such order.
- (c) Seller reserves a purchase money security interest in the Products sold hereunder and the proceeds thereof, in the amount of the purchase price. In the event of default by Buyer on any of its obligations to Seller, Seller will have the right to repossess the goods sold hereunder without liability to Buyer. In such event, Buyer agrees to make the Products available to Seller so that Seller can repossess them without a breach of the peace. This security interest will be satisfied by payment in full. A copy of the invoice may be filed with appropriate authorities at any time as a financing statement and/or chattel mortgage to perfect Seller's security interest. Buyer shall cooperate fully with Seller to execute such other documents and to accomplish such filings and/or recordings thereof as Seller may deem necessary for the protection of Seller's interests in the Products furnished hereunder.

Risk of loss or damage shall pass to Buyers upon delivery of the Products to the transportation company at the ex works point, whether or not installation is provided by or under supervision of Seller.

Seller may at its option obtain insurance for its Products covering their delivery to Buyer and Buyer agrees to reimburse Seller for the cost of providing such insurance. If buyer has not been notified of the existence of insurance coverage and provides their own insurance for such shipment Seller will waive their insurance charge.

Confiscation or destruction of, or damage to Products shall not release, reduce or in any way affect the liability of Buyer therefore. Notwithstanding any defect or nonconformity, or any other matter,

such risk of loss shall remain in Buyer until the Products are returned at Buyer's expense to such place as Seller may designate in writing. Buyer, at its expense, shall fully insure Products against all loss or damage until Seller has been paid in full therefore, or the Products have been returned, for whatever reason to Seller.

However, any shipment quotation or forecast on an order acknowledgement is only an estimate of the time required to make shipment and Seller will not assume liability, consequential or otherwise, because of any delay or failure to deliver all or any part of any order for any reason, including its active or passive negligence. Seller reserves the right to allocate inventories and current production in any way it deems desirable.

## **6 Inspection and acceptance**

The Buyer shall have the right to inspect the goods upon tender of delivery. Failure of the Buyer to inspect the goods and give written notice to the Seller of any alleged defect or non-conformity within thirty (30) days after tender of delivery shall constitute an irrevocable acceptance by Buyer of the goods delivered to him; provided that goods for which Seller agrees in writing to provide installation by its personnel, shall be deemed accepted by Buyer of the goods delivered to him; upon completion by Seller of its applicable acceptance tests or execution of Seller's acceptance form by Buyer. Notwithstanding the foregoing, use of any such goods by Buyer, its agents, employees or licensees, for any purpose after delivery thereof, shall constitute acceptance of goods by Buyer.
